

# *Soundtrack Of Your Life*

In the soundtrack to your life, what songs make an appearance? Start making notes in your One Note Notebook (Not in collaboration space). Write a sentence or two about the song and why you feel it fits the prompt. Each week there are two prompts. To keep up, please do both of them each week. We will compile them all at the end for the “soundtrack” of your life!

Dates	Song 1	Song 2
3/30-4/3	Home Alone: What song reminds you of being home alone or what song do you listen to when you're home alone?	Spring Cleaning: Do you have music you listen to when you're cleaning? Pick a song and tell us why!
4/13 - 4/17	The First Day of School: What song gives you “First Day of School” vibes?	Guilty Pleasure: What song do you not want others to know you love?
4/20 - 4/24	Swingset: A song that reminds you of your childhood	Zen Moods: Pick something soothing to you
	One Hit Wonder: Your favorite song from an artist that only had one famous song	Dear Journal: A song that could be an entry in your journal
4/27 - 5/1	Cookout Vibes: When hanging out with friends or family, what is playing in the background?	Absolute Disaster: What song do you listen to that is just terrible but you can't help yourself?
	Workout Song: Your fav workout song	Turn your day around: What song do you listen to when you're having a bad day and you need to turn it around?
5/4 - 5/8	So You Had a Bad Day: You've embraced the bad day. What song is playing?	Today is amazing!: Today is the best! What song is playing?
5/11 - 5/15	The Final Countdown! School is almost over. What's your end-of-year anthem?	Graduation Song: What song is playing at your perfect graduation party?
5/18 - 5/22	Create your playlist! (instructions below)	
5/25 - 5/29	Share your playlist! (instructions below)	

### **Create Your Playlist**

- Create a document on Google Slides or Powerpoint (via your 365 portal, not on your desktop. *You need to be able to share it as a link*)
- Slide 1: Give your soundtrack a title and a fun/cool picture. Make sure your name is somewhere on the first slide.
- Middle Slides: Select 10 of the songs from the course of the project. Copy your 2 sentences and insert the Youtube video for the song into the slide.
- Last Slide: Credits. Insert your funny or reflective “credits” or dedications for your album.
