Soundtrack of Your Life:

In the soundtrack to your life, what songs make an appearance? Start making notes in your One Note Notebook (Not in collaboration space). Write a sentence or two about the song and why you feel it fits the prompt. Each week there are two prompts. To keep up, please do both of them each week. We will compile them all at the end for the "soundtrack" of your life!

Song 1--Home Alone: What song reminds you of being home alone or what song do you listen to when you're home alone?
Song 2-- Spring Cleaning: Do you have music you listen to when you're cleaning? Pick a song and tell us why!
