Soundtrack of Your Life

Dates	Song 1	Song 2
5/1-5/7	Cookout Vibes: When hanging out with friends or family, what is playing in the background?	Absolute Disaster: What song do you listen to that is just terrible but you can't help yourself?

Jot these songs and your 2 sentences about them down somewhere where you will not lose them. We will compile them later into a presentation.

Sight Reading Factory

If a student is activating a SRF account for the first time:

- Go to www.sightreadingfactory.com/student.
- Enter **eamw4x** in the Student Code field.
- Select the appropriate age group.
- Complete the registration information.

Log in to your Sight Reading Factory. You have been assigned a rhythm task for each week. Please complete and submit that task through SRF directly. There is no need to go into our Collaboration Space and write out what you did. This counts as submitting it. If you're having trouble, please message your teacher

In order to do the worksheet, you will need to print out the worksheet and then scan/take a picture of it. If this is not possible you can also open the PDF and utilize the “Comments” tool and draw to the best of your ability/type the appropriate answers.

Chrome Music Lab

Go to <https://musiclab.chromeexperiments.com>

Go to Song Maker.

Create a 8-bar song with percussion that stays in the major scale.

If you don't know what those are, please do the theory lesson first-- it covers this topic!

When you're finished submit to [THIS LINK](#).
